

**Mississippi Beef Agribition
Pontotoc County Agri-Center
Pontotoc, MS**

Dear Buyers;

Welcome to the 28th annual Mississippi Beef Agribition, Saturday March 22, 2025. The Board of Directors would like to take this opportunity to express our sincere appreciation to the consignors in this sale and to the buyers for their support of this special sale. We are grateful to the Pontotoc County Board of Supervisors, for allowing us to host this sale at The Pontotoc County Agri-Center in Pontotoc, Ms. 430 C J Hardin Jr. Drive, Pontotoc, MS. 38863.

As you study the sale offering, you will realize there is a lot of quality in this offering.

The markets are as strong as they have been in many years and in many classes of cattle we are seeing historic prices being paid for calves of all ages and weight. Economists continue to say they do not see any drop in market prices for the near future, because many farms and ranches around the country do not appear to be building back their herds at this time. Drought the last two years over 2/3 of the country is the main culprit for the major herd reduction. Local sale barn prices for calves are off the charts. For example, 530 pound steer calves sold recently at a near by Mississippi sale barn \$3.25 per pound, which calculates to \$1722.50. With prices like that, this is a great time to bring quality cows and heifers into the herd.

WE are proud of the sale offering we have for the buyers this year and the MBA Board is confident this sale will have many money making opportunities in this sale offering. With that said, there are 22 pairs with calves by their side and some will be bred back. The 20 heavy bred and short bred will be quick money makers. The impressive group of 87 open heifers will be good replacements. If you are in the market for a bull we have 28 bulls for you to select from. There will be 8 Angus bulls, 3 Charolais bulls, 5 Hereford bulls, 2 Black Hereford bulls, 5 Gelbvieh/Balance bulls, 4 Brangus/Black Ultra bulls and 1 Sim/Angus bull to choose from.

The mission of the Mississippi Beef Agribition is to bring buyers and seller together under one roof and offer our consignors the opportunity to show case a sampling their genetics.

If you have any questions about the sale please contact one of the Board members listed at the bottom of this Welcome letter.

As in past years of the Mississippi Beef Agribition has commissioned Mr. Dusty Taylor and his brother Mark from Taylor Made Auctions in Rustin, LA. to auction the sale. Dusty and Mark are good friends to Mississippi beef cattle producers and

they will be on hand Friday night, March 21st to evaluate the sale offering and to set the sale order. Just as in years past, buyers will sign up at the Sale clerk's table and receive their bidders number. If you are a new bidder to the Agribition, we ask that you bring a letter of credit from your bank, which will speed up the sign up process.

The sale begins at 12:30 PM Saturday, March 22nd beginning with the Show Calf prospect, followed by the Bulls followed by Pairs, Heavy bred, Short bred and concludes with the Open heifers. Once the sale begins, there will be no load-outs until the sale is concluded. This prevents any mistakes and assures that the cattle you bought are the only ones loaded on your trailer. Generally the entire sale takes about 2 1/2 hours and load out begins immediately after the sale concludes. No load out will be done without a load out ticket from the clerks table.

The Pontotoc Agri-Center is used for many different functions, and the pens must come down Sunday after the sale, therefore, we ask you to make arrangements to remove all purchased cattle by 9 PM Saturday after the sale.

Special Notes:

**** All bulls must have passed a BSE (Breeding Soundness Exam) from a licensed veterinarian. The bulls will also be screened by a three person committee at weigh in for any physical defects or disease issues. The day before the sale the bulls are weighed and this information will be available on the sale order sheet.**

**** Open heifers are guaranteed open by the seller.**

**** Bred heifers/cows have been checked by the sellers veterinarian no more than 45 days before the sale to determine their pregnancy status. Any heifers/cows found to be less than 60 days bred will not be guaranteed to remain bred full term. Any females found to be bred more than 60 days will be guaranteed bred by the seller. The guarantee will be for 30 days after the sale. After this time all guarantees expire.**

TERMS, CONDITIONS AND GENERAL SALE INFORMATION

TERMS: Terms of the sale are cash. Settlements are to be made with the clerk immediately after the conclusion of the auction. The MS Beef Agribition acts as an agent only. The contract is between the buyer and the seller.

BIDDING & DISPUTES: All cattle will be sold at public auction to the highest bidder. The auctioneer will settle any disputes concerning bids, and the auctioneer decisions will be final.

HEALTH: By order of the State Veterinarian's Office, Mississippi producers are no longer required to have animal's blood tested for brucellosis. Health papers are **required** for all animals consigned to this sale. The health papers must indicate the pregnancy status of all females consigned to this sale. It is the responsibility of the buyer to know the health restrictions of his/her state and to be aware of the possibility of any subsequent testing of any animals purchased through this sale as required by law.

REGISTRATION: All bulls must be registered with their prospective breed associations. Properly signed certificate of registry transfers will be furnished to the buyer.

BREEDING GUARANTEE: Animals are guaranteed to be without defects, but nothing more. All sale bulls will have documentation of a passed breeding soundness exam, including scrotal measurements within 45 days prior to sale. Scrotal circumference measurement minimums for sale bulls are 32 cm for 12-16 month old bulls, 34 cm for 17-23 month old bulls, and 36 cm for 24+ month old bulls. Animals failing to breed, after a trial of six

months, may be returned to the seller, if in good condition. The seller reserves the right to try said animal for six months and, if it proves to be a breeder, to return it to the buyer at the Buyer's expense. If the animal proves to be a non-breeder, satisfactory exchange will be made or purchase price refunded.

ANNOUNCEMENTS: Announcements made from the auction block on sale day shall take precedence over information printed in the catalog. It is, therefore, the buyer's responsibility to pay attention to any such announcements.

ANIMAL REMOVAL: Bulls and/or heifers purchased at the Mississippi Beef Agribition must be loaded out by 9:00 P.M., March 22,2025

LIABILITY: All persons who attend this sale do so at their own risk. The owners or sponsors assume no responsibility, legal or otherwise, for any accidents that may occur.

Show Calves

Lot 1 Micheal Owen, Falkner, MS. 662-587-2776

Michael has a nice June, 2024 Sim/Angus show prospect heifer calf (registration # 4448320) that has all the parts in the right places to make a good show calf project. The sire of this heifer is a son of First Class, which was a Dixie National Champion. Her dam was also had a very successful show career and has gone on to become a good productive cow in the Owen herd. The Owen family is no stranger to the show ring and they have shown many class winners and champions at local, district and state shows. Be sure to evaluate this heifer if you are in the market for a show calf prospect.

Thank You Thompson Machinery, your local Caterpillar Dealer for providing a skid steer loader for pen construction for the Agribition Sale.

Creep Feeding: Generally, creep feeding will not greatly reduce grazing pressure on pastures nor reduce the strain that nursing calves are putting on their dams. However, the weaning weight advantages of creep feeding have been documented in numerous research trials, especially when pastures are short from drought like conditions. Another consideration may be to creep feed, when feed cost, are low and market prices will pay a return on the investment

If you would like to consign cattle to this sale in the future, simply contact one of the officers or Directors listed in the front of the catalog and we will add you to our our list of producers to contact next November. Note: If you want to consign to the 2025 sale, now is the time to begin making your plans. If you do not have open heifers from your herd, there are some really good open heifers in this sale, buy them, breed them and consign them to next year's sale.
